September	<p>Read a story which has gratitude as a moral.</p> <p>https://www.thetappingsolution.com/blog/short-lesson-gratitude/</p>
October	<p>Gratitude towards nature -</p> <p>Week 1 - Thankful Sunflowers https://www.teachingexpertise.com/classroom-ideas/gratitude-activities/#:~:text=Paper%20Bag%20Gratitude%20Trees,or%20things%20in%20their%20lives (Activity No. 17)</p> <p>Week 2 - Gratitude Yoga https://www.teachingexpertise.com/classroom-ideas/gratitude-activities/#:~:text=Paper%20Bag%20Gratitude%20Trees,or%20things%20in%20their%20lives (Activity No. 27) To find more click on 'Kids Yoga Studies'</p> <p>Week 3 - Write an essay in 70 - 80 words mentioning the contribution of animals in a growing country</p> <p>Week 4 - Nominate yourself as the cleanliness monitor of your society and</p>

	monitor the segregation of dry waste and wet waste
November	<p>Gratitude towards family -</p> <p>Week 1 - Maintain a jar - write small notes for all your family members every day for a week and store it in the jar. Open these notes on a family get-together day and let everyone read these notes.</p> <p>Week 2 - Every day hug/touch the feet of the elders and wish them good morning and good night. Thank them for the best they did for you on that day.</p> <p>Week 3 - Show gratitude towards domestic helpers by giving them handmade festive gifts (joy of giving)</p> <p>Week 4 - Make a scrapbook, and ask all the family members to paste a picture or write a memory that they are thankful to God for. Do this every day for a week.</p>
December	<p>Gratitude towards school -</p> <p>Week 1: With the help of supervisors, all the students of one class will make a G.O. on one chart paper expressing their appreciation and gratitude towards their teachers and put it up on the class soft board.</p> <p>https://www.pinterest.com/pin/655625658233051982/</p> <p>Week 2: Peers well-being - Students should ask their peers how are they feeling now and in return they will draw a smiley expressing their feelings, colour it and show it to their peers. If someone is not feeling well, then the students will help each other to cheer up.</p> <p>Week 3: For the complete week students in the class will ask their peers if they need help in completing the notebooks and if required the students will help each other in completing it. And in return, the students will make handmade gifts and give them to the peer who helped them.</p> <p>Week 4: The students will interview 5 different people in the school campus. The teachers will prepare a questionnaire of 5 questions based on Gratitude (different questionnaires for different classes). The students will choose one person per day and ask these questions. Based on the answers the teacher will help the students to compile the answers and make a report and present it in the assembly.</p>
January	<p>Gratitude towards our body:</p> <p>Week 1: Read and explain the poem to the students. At the end of the class, the students should be able to read the Poem.</p> <p>https://www.elephantjournal.com/2021/08/a-poem-that-will-remind-you-to-feel-grateful-for-your-body-jenny-mannion/</p> <p>Week 2: Children will write down 25 reasons for 'Why they are grateful for their body and why they should clean it every day'.</p> <p>Week 3: Teachers to create a questionnaire of 20 questions for a class quiz. For Eg: Which body part should we thank for helping us to smell?</p> <p>Week 4: Eat/Drink required beneficial things to thank specific body parts. For Eg: Drink lots of water to thank the kidneys, eat carrots to thank the eyes, eat beetroots to thank blood cells, etc. Teachers are to draw and give the image (link mentioned below) so that the students draw the body parts and can keep a record of how many body parts are they thanking for a week.</p> <p>https://www.ormiston.org/the-link/document/human-body-outline/</p>

February	<p>Gratitude towards everything:</p> <p>Make a Gratitude Tree (trunk and branches) and place it in the corridor. Give leaves (different shades of green) to the students. Ask the students to write down 3 things that they are most thankful for in A.Y. 2023-24 and help them to staple these leaves on the branches. In this activity, only one tree should be made and placed in the corridor on every floor. Please conduct this activity for all the classes (irrespective of their grade) belonging to that particular floor.</p> <p>This activity can be conducted spread all through the week. Please maintain it till the final report card day (for the parents to read and experience the humbleness of their children). Please refer to the images: https://www.pinterest.com/pin/443112050808647092/ and https://www.pinterest.com/pin/29977153760880555/</p>
-----------------	---

BAGLESS DAYS

April	<p>Day 1 Block Print on a handkerchief Material Required: Lady's finger, knife, Potato, 2 Plain Handkerchief, Fabric Paints. Teacher's Preparation: Draw an outline on the handkerchief to support the student. After the activity add some decorative material to give it a good finesse. On 1st handkerchief cut the Lady's finger horizontally and get the hexagonal cross section. Dip it in fabric paint and stamp it on the handkerchief to get wonderful patterns. On 2nd handkerchief carve a leaf's design on the cross section of a potato in order to make it a designed block. Dip the designed surface of the potato in the fabric paint of your choice. Stamp the block on the handkerchief to get the impression on it. (The teacher has to cut the shape of the leaf on the potato and give to the students)</p> <p>Day 2 Making five Book Marks by each student Material required: Cardsheet, ribbons/thin jute ropes, colours, scissors, stickers (optional), glitter/ decorative material. Teacher's Preparation: Teachers will cut the book marks in 5 different shapes and keep it ready for the students.</p>
June	<p>Bag Light Days-Last Date of the Month. Animated Educational movie related to EVS Topic or English chapter. The teacher should ask questions related to the movie in a simple way.</p>
July	<p>Day 1 Making of 'My Personal Diary' Material Required: Light coloured cardsheet cut in A4 size - 7 sheets, ribbon, colours, decorative materials, Fevicol. Teacher's Preparation: Cut the cardsheets in A4 size, the count should be 7 sheets per child. The teacher will help the students to punch holes in the sheet. The holes should be aligned on all the pages. Then with the help of the ribbons the teacher will help the students to bind the pages in the form of a booklet. The students will write their name on the cover page in a decorative way. They will decorate the cover page and the last page of the booklet and use this</p>

	<p>booklet as their personal diary.</p> <p>Day 2 Making The Dream Catcher Materials Required: Plastic Bangle (Mom's Bangle), Thick Woollen thread, Feathers, Fevicol, Decorative Material Ribbon. Roll and cover the bangle with the thick woollen thread and then the teacher will help the students make a star using the criss-cross pattern. Students will tie three hanging threads to the bangle and stick feathers. Then tie a ribbon on the top of the bangle as a hanging loop. At the end, let the students decorate the dream catcher as per their creativity. Please refer to the link below for reference. https://www.youtube.com/watch?v=0unJatJy2Js</p>
August	<p>Day 1 Making of Table Mats (4 Mats by each student) Materials Required: Foam Sheets, Fabric Colours, Coloured markers, Fabric laces, decorative materials, Scissors, Fevicol.</p> <p>Teacher's Preparation: Teacher will cut the 4 corners of the foam sheet in the round shape to make the edges smooth.</p> <p>Students will draw & paint different shapes on the foam sheet and outline them using markers and will decorate the empty space with decorative materials. Then stick the lace on the edge of the mat. The teacher will give it final touch to make it look more presentable.</p> <p>Day 2 Making The Coaster (6 coasters by each student) Materials required: Foam Sheets, Fabric Colours, Coloured Markers, Fabric laces, decorative materials, Scissors, Fevicol.</p> <p>Teacher's Preparation: Teacher will cut 6 round shapes for each student. The round shape should be the size of the base of a big coffee cup.</p> <p>Students will draw & paint similar shape on all the six coasters and outline them using markers and will decorate the empty space with decorative materials. Then stick the lace on the edge of the coaster. The teacher will give it final touch to make it look more presentable.</p>
September	<p>Bag Light Days- Last Date of the Month. Learning Tens and ones through Abacus.</p>
October	<p>Day 1 - Decor item - Trees https://www.youtube.com/watch?v=tipxRcQWTh4 Material required (Kindly refer to the video)</p> <p>Day 2 - Cardboard Realistic Leaves - Home Decor Ideas https://www.youtube.com/watch?v=rlAwV8ucvaY Materials required: (as per the video) • 1 Pc Cardboard (21cm x 1.8cm) • 15 Pcs Cardboard (7cm x 3.5cm) • Glue • Scissor • Pencil • Ruler</p>
November	<p>Bag Light Days-Last Date of the Month. Dance-Simple steps to be taught.</p>

December	Day 1 - Pottery Day2 - Pottery decoration A professional pottery maker will come to the school and conduct the activities. For rest of the day, the teachers will do the oral study/explanation (which doesn't need textbook access) for their subjects.
January	Bag Light Days - Last Date of the Month. Dress-up and Role Play as per the English /EVS lesson.
February	Bag Light Days-Last Date of the Month. Lexicon Talent Hunt- The students can be asked to recite a rhyme, or story, enact any character, song.

SEWA

(SOCIAL EMPOWERMENT FOR WORK AND ACTION)

TERM I	TERM II
1. Planting Saplings. Water them. Taking care of them 2. SEWA Starts @home; help your parents with the chores at home	1. Creating awareness about clean and green environment in your surroundings. 2. Donating clothes and toys/ what we have in excess

MANAGEMENT STUDIES

TERM I	TERM II
1. Class Management: Pack your bag as per the time-table. 2. Time Management: Getting up on time, getting ready, and coming to school.	1. Financial Management: Maintain a piggy bank to buy gifts 2. Waste Management: Segregating Dry & Wet Waste

THINKING SKILLS

TERM I	TERM II
1. Bird-Aid It is noticed that for cats and dogs, we have ambulances, but for birds, we don't have any. Design a prototype (system/tool/app/solution) that will create an aid for taking care of the birds. Thinker Keys: (Students can use any thinker keys to brainstorm) <ul style="list-style-type: none"> • Reverse - Key • What if - Key • Disadvantage - Key • Alphabet - Key • Picture - Key • Prediction - Key • Question - Key • Brainstorming - Key 	2. Automatic plant watering. Whenever we go out for vacations, we are unable to water our plants. Design a prototype (tool/instrument/reuse plastic bottles/any other solution) that will water the plant automatically for at least a week. Thinker Keys: (Students can use any thinker keys to brainstorm) <ul style="list-style-type: none"> • Reverse - Key • What if - Key • Disadvantage - Key • Alphabet - Key • Picture - Key • Prediction - Key • Question - Key • Brainstorming - Key
